**CRIMINAL COMPLAINT**

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of February 6, 2016 in the county of Roanoke in the  
Western District of Virginia, the defendant(s) violated:

<i>Code Section</i>	<i>Offense Description</i>
1.218(b) (16)	(16) Entering the premises under the influence of alcoholic beverages.

This criminal complaint is based on these facts:

Officer was dispatched and responded to the Emergency Department area in reference to a subject that was reported to be intoxicated and refusing medical treatment. Upon my arrival to the location mentioned above, I observed a white male attempting to use the wall to steady himself. Upon making contact with the individual I could smell a strong odor of alcoholic beverage coming from his person. I asked Mr. Narron if he had been drinking. Mr. Narron stated "yes".

I was advised by the medical staff that Arthur W. Morrison called 911 because he had fallen. The staff also advised that Morrison was from Moreton VA. and that once he was at the Salem VA medical center he refused to be treated. I asked Morrison how he got to the VA he stated "by ambulance".
